

TENNIS RACKET DRIVE

Rally for Rackets strives to support tennis-loving kids in the Greater Boston community and across New England. Through our tennis racket drives, we donate new and gently-used tennis rackets and tennis bags to community-based tennis programs and their young players.

Equipment Raised:

200+

70+

All rackets and bags raised go to local tennis programs and their young players.

Please DONATE and help us provide kids the equipment they need to get on the courts.

About Us

Rally for Rackets was founded in 2023 by a young tennis player from Boston. When cleaning out a bin of sports equipment, he came across his old tennis rackets. He considered donating them to a local tennis program, but then had another idea. He began Rally for Rackets to engage the broader community in hopes of having a larger impact. Through our tennis racket drives, we aim to support a new generation of young tennis players in our community.

WE HOPE YOU WILL JOIN US!
